Condominiums have it all.*

As most Islanders know, Vancouver Island is like no other place in Canada. Living so close to natural wonders, anyone can easily enjoy the beauty of its lush forests, pristine lakes, scenic mountains, vast waterfront and natural west-coast beaches. For all its rustic splendours, the Island is also wonderfully sophisticated. It has universities, state-of-the-art cultural amenities, medical facilities and superb health care.

Thornbridge at Longwood Active Lifestyle Condominiums are part of the Longwood Community mid-Island, in north Nanaimo. Centrally located and cleverly designed, this low-rise complex combines modern comforts with rustic details.

Thornbridge is the newest addition to a 50 acre award-winning master-planned community known as Longwood. Everything that was learned from the Longwood residents and every innovation that was researched has been incorporated into Thornbridge. The lobby and architecture evoke a warmth and charm reminiscent of the West Coast's natural surroundings and fresh, contemporary interior design makes Thornbridge at Longwood the very best offering to date.

Built by InSight, a well-respected developer of diverse homes and communities throughout Nanaimo including Hawthorne Corner, Longwood embodies the philosophy of only the highest quality, thoughtful design and environmental responsibility.

Shops and services are all within an easy walk from the Longwood community but with two man-made lakes, walking paths and a 40,000 square foot clubhouse, why would you want to leave? Well now, you don't have to. This fall, InSight has teamed up with Origin Active Lifestyle Communities (a Canadian leader in full-service Active Lifestyle Living) to create 'Services To Your Door'. These resort-style services including housekeeping, room service, handyman services, catering and more can now be delivered right to any Thornbridge suite. Origin is known for a high-quality dining program with a Red-Seal Chef. Services to your door now include a three-course, freshly prepared hot dinner for \$15.00 including taxes and delivery.

The best part about Thornbridge is the community living. It's a neighbourhood of like-minded individuals who get together regularly for social activities, happy hour or daily fitness. Plus, maintenance-free condo living means more time to enjoy new pursuits and treasured pastimes with new friends.

Suites are well-appointed and spacious featuring outdoor decks or solariums to enjoy views of the gardens. One storey living means no stairs to climb! Plus, exceptional eat-in kitchens with granite countertops, fully tiled backsplashes and wood paneled cabinets make cosy places to prepare meals. There is convenient in-suite laundry and plenty of storage. Just move in, and start living!

Distinctly Different, Thornbridge at Longwood....Island Living at its best! **II**
